## Boxes and Packaging (UK) Ltd

### Ethical Standards Labour Values Policy

The company is committed to ensuring the highest standards within the supply chain, including clients, workers, contractors, and suppliers and to continuously work to further improve. We will only work with reputable suppliers and manufacturers who are committed to working towards compliance with the conditions set out in this code.

It is company policy to ensure that a good environment is created for it's employees and that practices are in place to ensure that:

The company shall not use child labour.

The company shall eliminate all forms of forced and compulsory labour.

The company shall ensure that there is no discrimination in employment and occupation.

The company shall respect freedom of association and the effective right to collective bargaining to the extent required by UK Employment Law.
